

Rob Rave has worked with over 700 teachers and educational professionals in Local Authorities across England and Scotland.

Rob works with schools, networks, pyramids and cluster organisations who want more focus, engagement and a direct route to progress.

“Rob is a naturally gifted coach and trainer with a clear understanding of the educational context. He can offer any leadership group valuable insight into how to improve learning and performance.”

Andy Vass, Trainer and former Head teacher / behaviour expert

“ I would not hesitate in recommending Rob to anybody who required his services and very much hope to work with him again.”

Billy Davies
Director of Ethos and Community , Oasis Academy Southampton

“I think that all leaders/managers would really benefit from this. Anyone who is working with people and values their contribution and willingness to move forward would really benefit”

Head teacher

Progress talk

Courses for Senior Leaders and Teams of professionals

Are the team of professionals you work with communicating, managing and leading in a solution focused way?

Courses are designed to facilitate effective school self evaluation (SSE), Quality First Teaching and support focused school improvement.

Courses offered are suitable for:

Networks and Pyramids of schools
Head teachers
Senior leaders and managers
Key Stage or Phase Staff
Subject leaders and class teachers
Support staff (Teaching Assistants, HLTA's, and Lunchtime Supervisors)

Coaching
Mentoring

Learning Centred Leadership – Modelling,
Monitoring and Professional dialogue

Solution Focused skills development through practical work and professional dialogue; pitched at a level appropriate to the needs of the participants and your setting.

INSET, twilight, ½ day, 1 to 4 days or individual session based training opportunities offered in your place of work.

Participants in courses apply professional dialogue 'Progress Talk' and self evaluation and reflection to achieve specific solution focused outcomes, which address:

- Senior Leadership Team development
- Distributed Leadership
- Joint problem solving
- Quality First Teaching (QFT)
- Performance Management
- Professional coaching and mentoring capabilities, conflict resolution, creating teams and communities
- Peer support
- Behaviour Support
- Improving well being and resilience
- Maintaining work life balance

Is your team motivated to meet aspirational targets, school and Local Authority expectations, personal professional development and performance management?

In times of rapid change, shifting expectation, target setting and accountability the courses will enhance, develop and support your personal or teams' leadership and management styles and skills.

They enable participants to build upon practical application and develop further options

Solution focused 'Progress Talk' courses offer a forum for **practical, professional training designed to develop skills that can assist you and your team to:**

- Build positive relationships with students, parents and colleagues
- Generate motivation and confidence
- Create effective target setting and success criteria
- Deal proactively with conflict
- Develop a culture of quality first teaching and learning
- Nurture focused leadership and management

Follow up coaching

Unlike traditional training **all** participants are offered personalised support in order to ensure that learning is effective and applied after the training has ended.

From Senior Management and teams of professionals to individuals and clusters of networked schools and educational settings progress talk offers personalised, tailor made courses that is proven to maximise your energy and resource.
